

MATERIAL SAFETY DATA SHEET

HMIS Rating: Health 2 Flammability 1 Reactivity 0

I. Identification

Name : **Friction pad H311** all applications
Manufacturer: Selectpart, Inc.
Address: 50 Hutcherson Drive, Gorham, Me. 04038

Information telephone: (207)854-3874
Emergency telephone: (207)854-3874
Date revised: January 28, 2000

II. Hazardous ingredients/ identity

Hazardous components	OSHA PEL	ACGIH TLV	OTHER
----------------------	----------	-----------	-------

Proprietary synthetic resin bonded composition containing no asbestos or known carcinogens.
Composition: Synthetic resin, miscellaneous fillers and binding agents.

III. Physical data

Appearance: Gray/brown solid	Evaporation rate(butyl acetate=1): N/A	Odor: none
Boiling point: N/A	Specific gravity (water=1): 2.10	
Vapor pressure(mmHg):N/A	Melting point: N/A	
Vapor density: N/A	Solubility in water: Negligible	

IV. Fire and explosion hazard data

Flash point: N/A	Flammable limits: LEL - N/A UEL - N/A
Extinguishing media: Water or dry chemical	Special firefighting procedures: N/A
Unusual fire and explosion hazards: N/A	

V. Reactivity data

Stable	Hazardous polymerization will not occur
Conditions to avoid: N/A	Incompatibility: N/A
Hazardous decomposition products: N/A	

VI. Health information

Primary route of exposure/entry: inhalation, if dusting occurs
Possible effects from short term overexposure: None known
First aid for short term overexposure: None known
Medical conditions which could be aggravated by exposure: May cause sensitization reaction. If irritation occurs, do not rub or scratch irritated areas. Wash gently with soap and warm water.

VII. Precautions for safe use and handling

Respiratory protection: If dusting occurs, use dust mask
Eye protection: Wear protective glasses
Protective clothing: Wear long sleeves and work gloves
Ventilation: Ventilation recommended if dusting occurs
Work/hygienic practices: Wash hands thoroughly with soap and water before eating, smoking, or any personal hygienic function. Housekeeping is very important to keep dust at a minimum. Do not use compressed air for cleaning floors and other surfaces; these surfaces should be cleaned by vacuuming.

VIII. Spill or leak procedures

RCRA hazardous waste: No
In case of spill: Follow all state and local regulations

The information and recommendations set forth herein are believed to be accurate as of the date hereof. However, the information is provided without any representation or warranty, expressed or implied, regarding the accuracy or correctness. The conditions or methods of handling, storage, use, and disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility, and expressly disclaim liability for loss, damage, or expense arising out of or connected in any way with the handling, storage or use of this product.
